BIOT 2026 — YOUR GATEWAY TO RUSSIAN PPE MARKET

Russia, Moscow, Crocus Expo IEC
November 17–20, 2026 (4 exhibition days)

30th International Specialized
Exhibition and Forum
"Safety and labour protection"

BIOT 2026

Enter one of
the fastest-growing
PPE markets globally

Russia is
the world's 4th
largest PPE market

~\$ 4 billion
in 2025

RUSSIAN PPE MARKET = RAPID GROWTH + GUARANTEED DEMAND

~\$ 4 billion in 2025

growth: +10–18% annually

4th place in the world

This is not just a market — it is a market with guaranteed (growing) demand

WHY the PPE market is GROWING:

- **Government regulation** (all enterprises are required to purchase and use personal protective equipment)
- **Industrial growth** (metallurgy, energy, construction)

WHY CHINESE COMPANIES ARE WINNING IN RUSSIA

HIGH DEMAND FOR:

- **Innovations**
(exoskeletons, smart PPE)
- **Cost optimization**

China is already a key supplier of PPE
TO RUSSIA

BIOT = direct access
to the client → more profit

BIOT IS THE LARGEST INTERNATIONAL SPECIALIZED EXHIBITION AND FORUM

BIOT 2025

in the field of labor
protection and
industrial safety
